Employment History

In-N-Out Burger   *December 2015 - Present*
Level 6 Associate

Duties include working effectively and communicating at a high level with team members, cooks, and other associates in order to ensure the highest quality food and best customer experience possible at a fast food restaurant. Also train lower level associates and help them obtain the skills / tools they need to exceed work expectations and move up the work ladder.

iDevice Repair CV   *January 2013 - Present*
Co-Founder / CEO / Technician / Customer Service

Started an electronic device repair business with my brother. We work with mostly Apple iPhone products and handle hardware and software repairs such as repairing cracked screens, blown speakers, bad batteries, etc. All repairs are done at home, and we have many repeat clients that know we are reliable and professional to work with. I created and have maintained an Instagram account for our small business to date, in which we showcase our work and communicate with clients.
